

# Developing Management Skills Plus MyManagementLab with Pearson eText -- Access Card Package (9th Edition)

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson. If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. For undergraduate/graduate Principles of Management and Management Skills courses. This package includes MyManagementLab Skills Development for Tomorrow's managers. In its Ninth Edition, Developing Management Skills has become the standard in hands-on management learning. Designed for students of all skill levels and learning styles, the text allows students to apply knowledge to real-world situations, connect concepts to their own lives, and experience management theory in a tactile and engaging way. Updated for tomorrow's managers, this text features contemporary examples, new skill assessments and cases, updated research, and tangible, relevant goals for students to work toward. Focusing on ten essential skills for success in management, Developing Management Skills focuses on what managers actually do, transforming

management concepts into practical, actionable techniques. Students will gain hands-on practice applying management concepts with MyManagementLab. They will engage in real business situations with simulations, build their management skills by writing and talking about different management scenarios, have access to a videos and current events to help put concepts into perspective, and more. Personalize Learning with MyManagementLab®

MyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
