

# Red Plateau: Memoir of a North Vietnamese Soldier

Red Plateau is a very personal account of a fateful meeting of old adversaries who would become respectful and respected friends. They once stood on opposite side, only now realizing they were fighting for the same universal ideals and against the same universal enemy. Red Plateau fulfills Delezen's promise to his friend to tell the story of his life and in the telling, Delezen discovers something about himself too.

Tom Atkinson geographical imaginations combat equipment geographical imaginations Red Plateau Kindle Edition When I Turned Nineteen: A Vietnam War Memoir .
