

The Junior Inquiry Journey Yrs 1-3

Make the change to an inquiry learning system. This series provides the key components you need to build a strong inquiry system: practical guidance on choosing a process, creating documentation, and incorporating strategies, skills and multi-faceted assessment into inquiry. The Junior Inquiry Journey offers a clear way to make the inquiry process both accessible and enjoyable for Years 1 to 3. Book 1 introduces the major components; Book 2 extends and adds detail. Both contain examples and templates, and offer support for individualising the inquiry system to a schools vision.
