

Essential Lessons for School Leaders: Tips for Courage, Finding Solutions, and Reaching Your Goals

This gold mine of wisdom from top education researcher and the bestselling author of *Turning Around Failing Schools* and *Connecting Teacher Leadership and School Improvement* contains key tips and strategies every school leader should know. Award-winning professor and former school administrator Joseph Murphy's concise and instructive lessons will help you stay focused on what matters most as you navigate the hectic world of high-stakes testing and accountability. It really is all about the kids. Optimism is essential. Caring counts a lot. Listen—let people finish talking. Don't confuse excuses and explanations. Each lesson is coupled with context in a few sentences taken from Murphy's extensive real-world experiences. This collection is ideal for use in daily reflections, speeches, staff meetings, presentations, or as a gift to anyone who works with children.
