

Brainstorm: EQ Training: Gifted and Talented Training for Ages 3-6 (Volume 3)

EQ (Emotional Quotients) is part of the BrainStorm series. This is a 60 pages book with colorful pictures made to facilitate learning for kids ages 3-6. EQ is a way to measure how a person recognizes emotion in himself/herself and others. This book focus on activity that provides ample opportunity for the child to practice the control of their emotion and develop their character under various hypothetical situations. We believe that "intelligence" does not only involve your IQ score. Rather, it is the combination of various skill sets and the ability to apply these skills to solve real-life problems. Our goal for publishing the Brainstorm series is to hone specific skill sets at a time and to provide the necessary tools for parents to encourage their childrens growth.
