

Invitations: Changing as Teachers and Learners K-12

With this remarkably complete and well-organized resource, Regie Routman invites all teachers to reflect upon their practice, and in doing so, she makes whole language teaching and learning possible for everyone. The text provides in-depth information, as well as step-by-step demonstration lessons for topics such as: becoming a whole language teacher; shared reading and shared writing for all grades; guided reading - whole class, small group, and individualized; grouping for success; examining a basal story and using it holistically; developing literature extension activities; responding to literature through literature response logs and discussion groups; setting up an independent reading program; journal writing; teaching phonics and skills strategically; letter writing and story writing for authentic purposes; integrating spelling into the reading-writing classroom; getting the publishing process going; integrating the language arts through literature and across the curriculum; understanding and utilizing meaningful evaluation procedures - anecdotal records, grading, and self-evaluation; applying holistic strategies to L.D. and at-risk students; organizing and managing the whole language classroom; establishing teacher support groups and other networks. With the Blue Pages bound in, *Invitations* is the most exhaustive resource available for any teacher interested in professional development and changing his or her teaching.
