

PM Crash Course, Premier Edition: A Crash Course in Real-World Project Management

Every year, thousands of people are thrust into projects or project management roles at their companies. In fact, many project managers are assigned to or even placed in charge of high-profile projects, potentially worth millions of dollars to their organizations with no tools, no direction, and little structured training. This book is the first resource specifically designed to help these people! This revolutionary Course in a Book in real-world project management is perfect for people who are looking to get projects back on track, and who want easy-to-use tools that can make an immediate impact. Are you looking for project management tools and techniques that you can start using TODAY? Do you coach, mentor or manage project managers? Do you teach project management part-time or as a career? If so, Rita Mulcahy's latest book, PM Crash Course, Premier Edition, can help you!
