

# Management Responses to Public Issues: Concepts and Cases in Strategy Formulation (3rd Edition)

This text/casebook provides introductory conceptual material and 16 cases which serve as the basis for discussions on public policy issues, management decision-making and the formulation of management policy and strategy. New features to this edition include an introductory chapter on business ethics and 7 new cases that reflect developments and situations in the field of business environment and public policy. Cases are presented in detail and accompanied by questions.
