

Student Teacher to Master Teacher: A Practical Guide for Educating Students with Special Needs (4th Edition)

The fourth edition of Student Teacher to Master Teacher: A Practical Guide for Educating Students with Special Needs, confronts the challenges special education teachers are facing in becoming reflective, certified professionals. This book prepares future educators, practicing teachers, and alternative certification professionals with the demands educators will face in the special education and inclusive classroom. Providing realistic and rigorous field experiences balanced with research-based content and activities, this book bridges the gap between methods, student teaching and being an effective and successful special education teacher. For New K-12 Special Education and General Education Teachers.
