

Century path; a magazine devoted to the brotherhood of humanity, the promulgation of theosophy and the study of ancient and modern ethics, philosophy, science, and art Volume 6, pt. 2

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1903 edition. Excerpt: ...such as Emerson! We may collect a thousand and one opinions of his philosophy, and as many erudite theories about his meaning, but we should like to know how many there are The Birthday of John Weyley THE anniversary of Wesleys birthday has been celebrated in England, as well as elsewhere, with considerable ardor. Of all English Methodists Mr. R. W. Perks, M. P., is perhaps the most prominent, and both he, and the Rev. W. L. Watkinson, who preached the bi-centenary sermon, devoted some space to a consideration of what Wesley would do were he alive today. Mr. Perks was well assured that were the founder of Methodism among us today it would be impossible to offer him any bribe which would persuade him into complicity with wrong-doing, however much the supposed interests of his church might seem to demand it. The Rev. Mr. Watkinson was still more outspoken. He did not propose to speak words of jubilation but rather words of admonition and warning. Let them beware of mere mechanism lest they should begin in the spirit and end in machinery. He could imagine a terrible fate awaiting Methodism with dead preachers in the pulpit, dead stewards in the vestry and mummies in the pews. Let them also be warned against formalism. These are strong words, and adapted not only to

Methodism but to every other organization beset with the temptations of apparent material and worldly success. Student Whoso can look on death will start at no shadow.--From the Greek If a book comes from the heart it will contrive to reach other hearts. All art and author-craft are of small account to that.--Caflyle Experience tells us that each man most keenly and unerringly detects in others the vice with which he is most familiar himself.--Emerson who have learned through him...
