

From Phonics to Fluency: Effective Teaching of Decoding and Reading Fluency in the Elementary School (3rd Edition)

This best-selling resource from two of today's most respected literacy educators gives aspiring and veteran teachers alike a practical, workable, fresh approach to word study that students find authentic, engaging, and enjoyable. From Phonics to Fluency provides methods, strategies, and activities for teaching decoding and reading fluency that fit easily and effectively into any classroom situation. The guide is based on solid literacy theory, reading research, and actual classroom practices. It helps teachers put students on their way to improved word recognition, more fluent reading, and better reading comprehension—all in a manner that nurtures students' lifelong fascination with words and reading.
