

Mission Possible!

One of the great universal truths is that in life there is always someone who has just completed the journey you are about to begin. And yet if you take the time to debrief this weary traveler and discover the twists and turns of his adventure, the pitfalls and perils he just encountered. More often than not, people take the great dive into the unknown with high hopes and very little planning. Mission Possible! provides a unique opportunity for anyone and everyone to learn from proven sojourners, to discover hard-earned insights from men and women who have traveled a worthy path and lived to share their experiences. All twelve of these dynamic individuals are making a real difference in their world. They're not just students of life, of business, and of success, they are doers, and you can learn from them in this exciting collection of interviews. Don't miss a chapter of this edition of Mission Possible!
