

The Teachers Daybook, 2011-2012 Edition: Time to Teach, Time to Learn, Time to Live

Jim Burkes Teachers Daybook was an instant hit, helping tens of thousands of educators stay organized, professional, and sane. But all along, Jim has been collecting suggestions on how to improve the Daybooks usability, and now hes combined your feedback with some new ideas of his own to create the ultimate tool for managing your time. Using The Teachers Daybook, 2006-2007 is like having Jim down the hall for daily professional development, and this revised edition has more of everything: more room for on-the-go notes during your daily activities more space for long-and short-term professional reflection and planning more options for organizing yourself, your job, and your life more helpful worksheets and forms that maximize your efficiency.
