

B*U*F*F (Big Ugly Fat F*****)

B*U*F*F (Big Ugly Fat F*****) is the Strategic Air Command air crew and jungle grunts popular nickname for the B-52. It is the story of Major Rudi Mauser, a United States Air Force bomber pilot, and the interplay of events leading to his becoming the commander of a B-52 combat crew. He discovers that he had avoided participation in the Korean Conflict by a quirk of fate, only to be thrust into an active combat role in Americas controversial war in Vietnam. Rudi and his crew follow in the footsteps of their World War II predecessors, maintaining their sanity by resorting to outrageous attempts at humor. Throughout his career Rudi has confrontations with GK Harden, who had harassed Rudi as an Aviation Cadet. Rudis frequently erotic love life also ends when he is smitten by Sabrina, a school teacher he meets on the island of Okinawa, who has a very unusual background. B*U*F*F is written in the vernacular of the B-52 combat crewmember participants, and contains an explicit adult love story. The primary objective is a novel that allows the reader to experience the unrestrained details of Arc Light bombing operations in Southeast Asia. The intimate horrors of modern day conventional weapon bombing contained in B*U*F*F have never been published before. For more information, please email the author at B52BUFF2002@cs.com
