^ This comprehensive text helps prepare future and current teachers to measure or evaluate children in early childhood, to become fully informed about the range of assessment possibilities available, and to learn how those techniques and instruments can be most beneficial to the children in their classrooms. This new edition features expanded and enhanced material covering the ever-growing trend toward performance assessment, portfolios, and other methods of reporting a child's performance. Throughout, the approach of the authors is to present the development of an assessment system that includes traditional as well as authentic assessment strategies in a comprehensive plan and to seek to inform the reader about all types of assessments and their appropriate use. The Enhanced Pearson eText features embedded video and assessments. ^
