

The Go-Getter

Although Kynes tale of business smarts has been around for some time, it doesnt feel dated. Its a straightforward parable about a young war veteran whos handed an opportunity that will either make or break his career. If he accepts the job and pulls it off, hes a go-getter; if he fails, its curtains. His motto-It shall be done--sums up Kynes point: even if youre unsure, say you can do it. Then figure out how to do it and make sure you succeed. A book about a go-getter that teaches you to be a go-getter.
