

Foundations of Strategy

Foundations of Strategy is a new concise text aimed at both undergraduate students and Masters students. With the needs of these students in mind, Robert Grant and Judith Jordan write in an accessible style, with a clear, comprehensive approach and sound theoretical depth. Extensive teaching materials such as Case Teaching notes, an Instructor's Manual, Test Bank and PPT slides are available on an accompanying website - www.foundationsofstrategy.com. The website also features extra, longer cases written by Robert Grant and access to a simulation for use in teaching. Students have access to the entire text as an e-book with embedded video clips for each case study, and self test questions to check understanding.
