

Orchestrating School Change (Professional Books)

Support the implementation of strategic initiatives with effective tools and strategies that school leaders and administrators at all levels can use. Including concrete examples, strong research models, and practical applications to guide and this is the perfect resource to support leaders in coordinating and organizing the steps towards change. Effect change at your school or district by learning from and applying the proven leadership models included in the text, while utilizing the art and science of critical and creative thinking. Daily actions to make things happen within a school or district are also highlighted for ease of implementation.
