

A Principals Guide to Leadership in the Teaching of Writing: Helping Teachers with Units of Study

A Principals Guide to Leadership in the Teaching of Writing will keep you company during the hard work of leading school reform in teaching writing. It will bring you inside a community of practice comprised of scores of principals who have also thought, How can I provide my teachers with the support they deserve in teaching writing? This book will allow you to stand on the shoulders of others who have tackled the challenge of supporting whole school reform in writing. Lucy Calkins & Laurie Pessah Schoolwide reform in writing involves all members of the school community. This resource is for the leader in that reform effort. Organized around the school calendar, A Principals Guide to Leadership in the Teaching of Writing will help you work strategically throughout the school year researching, imagining, problem solving, building infrastructure, and developing leaders. The accompanying DVD welcomes you into a community of practice where you can learn from other principals who have engaged in the beautiful, difficult, exhilarating work of supporting schoolwide reform in the teaching of writing. This Principals Guide is a companion to the Units of Study for Teaching Writing series. For a comprehensive overview of the Units of Study for Teaching Writing series, including sample minilessons, sample videos, curricular calendars, overview presentations, frequently asked questions, and information on the companion principals guide and the Workshop Help Desk series
