

# 35 Classroom Management Strategies: Promoting Learning and Building Community

50 Classroom Strategies for Building a Community of Learners is organized into sections related to the important themes in creating a community of learners. Within each section, strategies are explained and steps in implementing the strategies are given. Two classroom examples are given for each strategy in order to show how use of the strategies will differ according to the ages of the learners and the content of the curriculum. Features include: Step-by-step Instructions - Each strategy is explained with step-by-step instructions to make the implementation easier for the teacher. Connections for English Learners - Margin notes with strategies for the effective instruction of English learners. Strategies on Video DVD - Teacher demonstrations of the strategies in real classroom settings. Additional Teacher Resources - Forms, Blackline masters, and other resources at the end of the book.
