Written in a conversational style, yet solidly grounded in child development theory and research, *Guidance of Young Children, 9/e* focuses on positive and developmentally appropriate child guidance, while encouraging reflection, opportunities for applying knowledge, and the ability to make intentional and wise child guidance decisions. Based on the author's belief that adults need to have realistic expectations of children, the book emphasizes understanding young children's development, using a developmentally appropriate approach to guidance, and thinking critically in making wise guidance decisions. The Enhanced Pearson eText features embedded video, video analysis exercises, interactive learning modules, and assessments.

Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:

Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the

learning experience.

Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.*

Affordable. Experience the advantages of the Enhanced Pearson eText along with all the benefits of print for 40% to 50% less than a print bound book.

*The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. *The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later. ^
