

Childrens Literature, Briefly (4th Edition)

Are you looking for a brief introduction to children's literature genres that leaves time to read actual works of children's literature? This new, significantly revised and streamlined edition of Children's Literature, Briefly introduces the reader to the essential foundations of each children's literature genre, supported by practical features and tools to suggest quality books and activities to advance literacy in the classroom. As new teachers build their classroom library, the brevity of this affordable new edition ensures readers have the resources to purchase and time to read actual children's literature. The goal of this text, then, is to provide a practical overview of children's books, offering a framework and background information while keeping the spotlight on the books themselves.
