

Competitions for Talented Kids

This is the most comprehensive, up-to-date listing of national competitions available for students. Ideal for students and families seeking scholarship money and national recognition for skills and abilities in academics, the arts, leadership, and community involvement, *Competitions for Talented Kids* is the ultimate guide for winning and learning from competitions. In addition to its extensive listing of competitions, the book includes a unique *Competitions Journal* that helps students record their progress and success. In this completely revised and expanded edition, students will find a treasure trove of information on selecting, entering, and competing in national contests. The book also features complete information on who to contact, how to enter, prizes, judging criteria, contest origin, significant dates, and tips from the contest organizers themselves. *Competitions for Talented Kids* is a resource beyond compare. From contests in general science and mathematics, to classical literature and art, this book offers students a listing of competitions in almost any talent area.
