

Flamethrowers - Guardians of the game: A lacrosse story

The first team sport was given to the First Nations by the Creator. The first players called it "The Creator's Game". Flamethrowers, guardians of the game, were given special sticks by the Creator to teach and watch over the sport. But there was a betrayal, a Nation lost, and the Creator removed the Flamethrowers from the earth. But they left something behind!

Kenny lives in a mining town located on the iron Range in Minnesota. His entire family plays hockey. Only one problem for Kenny, he hates hockey. Then fate finds Kenny in a cave where he discovers a stone box containing a special stick. Kenny seeks out a storyteller to find out the origin of the stick. Join Kenny as he searches for the story and discovers a dark side that he must face.
