

## Working With Troubled Children

The lives of young people with behavioral problems tend to be less than satisfying. Their families are likely to suffer, their teachers are often disappointed, and their peers constantly wonder what's the matter with them. James Kauffman, professor emeritus of education at the University of Virginia, believes it doesn't have to be that way. Believing in the power of early intervention and prevention of behavior problems, Kauffman shows us how to recognize trouble and deal with it before it's too late. In his words, We saw that there were signs of trouble brewing yet no one took them seriously. This book takes behavior problems seriously, addressing their many causes, the dilemma of early identification, and proven effective strategies for effective intervention.

Working with troubled behaviours - Creative Living with Children Jan 22, 2009 I had been working as an ESOL teacher for last 25 years, in my school when we compare subject wise the biggest At-Risk children list comes.
