

Ace the IELTS: Tips from a Teacher: Five years of IELTS teaching at your fingertips

This book is a set of practical tips that have been used with great success previously to prepare students for the IELTS. It includes short instructions on how to get a better score with your current level of English as well as tips on how to improve in the specific skills examined by the IELTS. Other sections discuss common weaknesses on each module as well as advice on how to avoid these. Also including unique exercises for your own individual or group use that you can use to improve your band score on the test. The author is an experienced test prep teacher whose former students now live, work, and study in Australia, Canada, and in many other countries across the world.
