

The Classroom Management Secret: And 45 Other Keys to a Well-Behaved Class

From how to set up an easy-to-use classroom management plan to how to handle difficult students, The Classroom Management Secret will equip you with everything you need to effectively manage your classroom, regardless of where you teach or who shows up on your roster. Based on the popular blog, Smart Classroom Management, the book progresses step-by-step through 45 time-tested strategies, showing you how to manage your classroom in a way that inspires students to want to behave. Binding these strategies together is a little-known secret shared by the most exceptional teachers, those remembered and beloved for a lifetime. By the end of the book, you'll have the knowledge to free your classroom of misbehavior and disrespect, build easy rapport with your students, and teach with a spirit of joy and passion that you've always longed for.
