None of us remember England holding the Ashes. We are a generation that have grown up in Australia's shadow. In 2005 Simon Jones took part in the greatest Ashes series of all time. As a devastating fast bowler in a brave young England team, Jones went toe to toe with the might of the seemingly unbeatable Australians. Over the course of 54 days Simon would experience the greatest highs of his career, and plunge to the lowest depths. The series would change his life forever. In chapters that alternate between an unforgettable, insiders account of each of the five Tests and the remainder of his life, Simon presents the raw and unvarnished truth behind international sport; the joy and the sacrifice, the physical and mental cost, and the unrelenting pressure. Heroes emerge, and cricketing legends are made human.
