

Scenarios in Counseling: Guided Interactive Practice in Understanding Ethical and Legal Issues, CD-ROM

This compelling CD-ROM features over twenty video cases that pose ethical dilemmas from across the range of experiences a counselor would have. After every video case students will have the opportunity to respond to questions about the scenario they just watched. To further students understanding about each ethical dilemma, feedback is given in written format. Additionally, both the ethical and legal viewpoints for every scenario on the CD-ROM are offered by leading scholars in the field of counseling, Theodore P. Remley and Barbara Herlihy. This CD-ROM is available at a discount when packaged with any Merrill/Prentice Hall textbook. If you would like to package the Scenarios in Counseling CD-ROM with your main text, please contact your local sales representative for a special ISBN to use when placing your textbook order.
