

8 Ways to Achieve More by Using Deadlines (Reaching Your Goals Book 1)

If you're employed in an industry or profession, imposed continual and rigorous deadlines can be nerve wracking and seem pointless. Suppose you're a newspaper reporter covering a local beat. You may have to turn in a column each or every few days in words that conform to certain style guidelines, and meet the approval of your editor, publisher, and subscribers. In nearly every American city, within a block or two of a city's major newspaper, there's a familiar watering hole where reporters head out after work on Fridays. If you've ever been in such a place, you may be aghast at these hard-boiled, nicotine and alcohol swilling types who seem to voluntarily poison themselves to deaden the effects of meeting demanding and gut-wrenching deadlines. Whether you are a reporter facing daily deadlines, a sales representative facing a weekly quota, or any other type of white or blue collar professional who has to complete so much by some imposed time interval, there are ways to make the deadline work for you. Here are eight techniques and action steps to help you both maintain control and better harness the power of meeting deadlines:
