

# Dyslexia vs. ADHD: From Dyslexic AND UN-Stoppable

Many parents and teachers see children with difficulty paying attention and staying on task. It is easy to immediately blame this behavior on ADHD. However, many of these children may have learning differences such as dyslexia. This book will help you distinguish between ADHD and Dyslexia, and then get your child the help he needs. Written by a Yale-trained pediatrician, this book is easy to read and easy to implement. Find out more at <http://www.dyslexicandunstoppable.com>
