

# Lessons from a Child

A story of one child's growth in writing, *Lessons from a Child* explains how teachers can work with children, helping them to teach themselves and each other. Matters of classroom management, methods for helping children to use the peer conference, and ways mini-lessons can extend children's understanding of good writing are all covered here. Most important, the sequences of writing development and growth are thoroughly discussed.

*Lessons from a Child* by Lucy Calkins - Heinemann Publishing Until a child is told to "never talk to strangers" they have no qualms about talking to random people. The "don't talk to strangers" lesson seems to stick way past 7 Important Life Lessons My Children Have Taught Me Lucy Calkins is the author of the best-selling new grade-by-grade Units of Study for Teaching Reading, Grades K-5 and Units of Study in Opinion/Argument, The Life Lessons of Children Psychology Today 15 Things A Child Can Teach An Adult.
