Â Here is specific, practical help for planning, designing, and implementing effective early childhood curriculum, ages three through eight. In it, readers see clearly how children learn; what children can learn; and the specific concepts, ideas, and strategies that are developmentally appropriate for young children. Reader friendly and filled with examples, anecdotes, and practical, hands-on strategies, activities, and lesson plans, A Practical Guide to Early Childhood Curriculum looks at how to teach, while providing a solid foundation for the theoretical basis of the concepts being applied. Teachers see clearly what can be taught to young children, why it is important, and how it can be accomplished. The emphasis is on the importance of a child-centered curriculum that encompasses the whole childâ€™physical, social, emotional, creative, and cognitiveâ€™and the focus is on the developmental needs of the children in the classroom, the cognitive areas of the curriculum, and effective methods of curriculum implementation. The Enhanced Pearson eText features embedded videos and assessments. Â Improve mastery and retention with the Enhanced Pearson eText\* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The
