

Brilliant Checklists for Managers (Brilliant Business)

This book tells you everything you need to know, everything you need to think about, and everything you need to do to be a successful manager. It covers all aspects of management, giving you the confidence to tackle things thoroughly and help develop your own managerial competence. Every one of the checklists in this book is fast, focused and has been specially written for busy managers like you. Quickly access hundreds of essential tips and tricks, discover vital insider knowledge and winning strategies, and learn everything you need to know to be a brilliant manager. * Make the best informed decisions every time * Understand the problems that you might face every day * Become a more systematic and thorough manager Had I not seen it and read it, I would not have believed it was possible to reduce all those fine-sounding theories to such straightforward lists - you are a genius, even if you are doing me out of a job. Charles Handy
