

Business Plan University

According to a study by the Small Business Administration, 49% of new businesses fail within the first 5 years of operation. Many of these failures stem from the lack of a business plan. We believe that a thorough, customized business plan is the foundational key to long-term business success, and we want to help you build yours. With Business Plan University, you are provided the educational tools you need to give sustenance to your ideas. Our web-based education system and team of qualified mentors and coaches have proven to be a successful combination for companies in varying industries with varying needs. Let us help guide you through the building process so you can not only get your business off the ground, but keep it running profitably for years to come.
