

Your Personal Development issue 2

Your Personal Development issue 2 You are infinitely more capable than your mind allows you to believe, the trick is to accept it as fact, to accept that it applies to you, and to do something about it. This month's edition has a couple of fascinating nuggets that one of these millennia I really need to expand on. There is *Infinitely More to You Than...*, and *Imagination* contain thoughts that could change the way that you think about yourself and your life. If there is anything that you would like me to cover then please contact me using the email in the magazine, I won't make any promises but I will try. In this month's issue:

1. Steps for Living Your Passions
2. Letter from the Editor
3. How to Train Your Brain for Better Performance
4. 4 Steps to Having a Great Day
5. There is Infinitely More to You Than...
6. Goal Setting Strategies
7. Improve Your Powers of Concentration
8. How to Fight Depression with Exercise
9. Time Management Systems
10. The Hard Stuff Often Matters Most
11. Imagination
12. Acknowledgments

IMPORTANT Please take note that there is no universal panacea, please note that there is no one size fits all strategy that will deal with all your problems; I have to admit that I'm glad that there's not as if there were then we would all think alike, and that would make for a very dull and boring world. Like anyone who writes in the personal development field I can only provide you with the tools and open your mind to your potential. You are the only one who can take action on the information in this magazine because no one else will do it for

you. Any change has to come from within you not because someone told you to do it, but because you want to do it. Take Action Your Personal Development could be a real gamechanger for you. Month after month this magazine will present you with the best content that I can create and find. If you are ready to take action the click the buy button and I look forward to hearing from you.
