

# Managing for Results: Economic Tasks and Risk-Taking Decisions

Managing for Results: Economic Tasks and Risk-taking Decisions is a guidebook for those in management position. The book is comprised of 14 chapters that are organized into three parts. The first part talks about understanding the business; this part covers business realities, revenues, resources, and prospects. Part II discusses the opportunities and needs in economic dimensions of a business. Part III covers the key decision, business strategies, and building up economic performance. The book will be useful to managers, entrepreneurs, and individuals who are exposed to a decision-making situation that has an economic implication.
