

Up Front In Control: Great Masters Of Ceremonies reveal their trade secrets

The Master of Ceremonies role at a special event (aka "emcee"™) is regarded by many as "one of the best jobs in the world"™. Not only do you help a live event succeed, you are paid to keep people HAPPY - simply by being organized and entertaining. Besides that, the excellent lifestyle enjoyed by a successful MC is another reason to add UP FRONT IN CONTROL to your bookshelf now. Working as an emcee can significantly raise your personal profile and prestige while offering many new exciting ways to use your public speaking skills for profit. INCLUDES This straight-forward "how-to"™ guide has checklists, run sheets, introductions, jokes, plus interactive audience games. There are plug-and-play Templates on what to say and how to say it. All you do is fill in the gaps and presto! PLUS YOU GET * how to professionally introduce distinguished members of the audience and the Guest-of-Honor * short, quick and witty jokes and one-liners to keep the guests entertained and laughing with you * clear examples of how to acknowledge and thank a speaker * what words to say between one speaker and the next; this is called a segue (pronounced seg-way) * essential questions to ask the client before the event starts * how to smoothly link each segment of the business or social function together * a fresh approach to speaking in public that gets you excited (instead of nervous) * a sample run sheet for a whole 3-day conference There is even advice on what \$\$\$ to charge for

your services EXPERT
AUTHORS Two of the
world's most experienced
MCs take you step-by-step
through the entire process of
professionally conducting a social
or business function from start to
finish. Peter and Ron show you
that being a Master of
Ceremonies is a privilege and
pleasure - and not such a difficult
task as it might seem at first.
Inside the cover of this book,
you will discover MCing is a real
blast and thoroughly enjoyable.
WARNING: it can become
addictive. SUMMARY UP
FRONT IN CONTROL is
regarded as the bible of how to
work successfully as a corporate
or business Master of
Ceremonies. This hands-on, how
to manual took more than 7 years
to assemble. The 192 pages draw
on 30+ years combined
experience with audiences from
around the world. And there are
humorous original drawings by
world-famous cartoonist Tony
Kentuck. As you will see from
the "Look Inside" feature,
the book has been designed by
MCs for * MCs now working
who wish to lift their skills to the
next level * speakers who want to
begin working as a MC *
employees who are required by
their company to take on this role
and host an important function
such as a product launch or new
building opening. Written in an
engaging and entertaining way (as
you would expect), you'll
pick up on the sense of humor
that MCs use and how to deliver
quick one-liners that get you
booked time and time again.
FINALLY UP FRONT IN
CONTROL will bullet-proof you
against all the things that spook
most people when they take the
microphone in their hand to

welcome an audience. If you are a Host, Comedian, Magician, Compere, Salesman, Vice President, Chairman, Emcee, practiced Public Speaker, Actor, Presenter, or Trainer - here is your answer to a fabulous event and a relaxed and entertaining time at the microphone as the perfect Master of Ceremonies.
