

Social MisAlignments: The Chiropractors Guide to Marketing Online

Your Social Authority is something to carefully consider. It can help you cultivate positive relationships with current and future patients as well as share the message of chiropractic and the care you provide. Now is the time to start making some social media adjustments. In Social MisAlignments Stephanie dissects and explains the holistic approach to healthy “Social Alignment” and provides actionable strategies that will help you successfully market your practice using the boundless opportunities that Social Media can provide.
