

## More Effective Resources for Able and Talented Children (Resource Collection)

More Effective Resources for Able and Talented Children will provide excitement and enrichment for more able children of all ages. Following in the highly successful footsteps of Barry Teares Effective Resources for Able and Talented Children and Effective Provision for Able and Talented Children, this book has been written in response to the continuing demand for practical and independent materials designed to stretch the more able. What the book covers A wealth of attractive and exciting resources designed to inspire, motivate, challenge and stretch able children in both the Primary and Secondary sectors, encouraging them to enjoy their true potential. Activities can be used in situations both within and beyond normal classroom lessons - for example, as differentiated homework tasks, in summer schools and clubs, and for competitions. All activities are photocopiable and accompanied by comprehensive solutions and notes for teachers. Resources are divided into several themes: English, Literacy; Mathematics, Numeracy; Science; Humanities, Citizenship, Problem Solving, Decision Making And Information Processing; Modern Foreign Languages; Young Children; Logical Thought; Detective Work And Codes; Lateral Thinking; Competitions
