

College Entrance Exams: SAT and ACT, Mastering Assessment: A Self-Service System for Educators, Pamphlet 6

Teachers are often called on by parents to help them understand how aptitude tests such as the SAT and ACT work. This booklet, *College Entrance Examinations: The SAT and the ACT*, dispels the mystery surrounding these all-important exams, drawing distinctions between aptitude and achievement tests and debating the merits of the various test-preparation strategies that abound. **MASTERING ASSESSMENT** is a set of fifteen practical, easy-to-use booklets covering a wide range of topics related to educational assessment and accountability. These groundbreaking booklets put the most relevant information on assessment at teachers' fingertips and provide an important resource for educators looking to learn the ins and outs of becoming assessment literate. Paired with the series *Facilitators Guide* (available for download at no additional charge from Pearson's Instructor Resource Center), *Mastering Assessment* is the perfect tool for building assessment literacy either in a self-study or a professional development program. Don't miss all the books in the *Mastering Assessment Series* by W. James Popham:
