

REVEL for Introduction to Teaching: Becoming a Professional with Loose-Leaf Version (6th Edition) (Whats New in Foundations / Intro to Teaching)

This package includes the REVEL access card and loose-leaf version. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience for less than the cost of a traditional textbook. Introduction to Teaching: Becoming a Professional helps beginning education students make informed decisions about becoming a teacher and ensures that they have an up-to-date picture of the ever-changing face of education. Issues in reform, in diversity, and professionalism in day to day teaching situations are emphasized throughout the text. Cases, classroom examples, videos, and interactive applications bring topics to life, allowing students to better relate to, understand, and apply the material. To keep readers informed about the constantly changing education profession, the Sixth Edition includes new topics and significant updates about important developments in education. The most interactive and applied text in the field, Introduction to Teaching keeps prospective teachers actively involved in their learning and provides a realistic look at the world of teaching. NOTE: Before purchasing, check with your instructor to ensure you

select the correct ISBN. Several versions of Pearson's products exist for each title*, and registrations are not transferable. In addition to the access card included in this package, you will need a course invite link, provided by your instructor, to register for and use REVEL.
