Based on the premise that high-quality programs for young children are an essential support for families—a part of the family ecosystem—this resource demonstrates how managers of programs for young children must understand the value of family, as well as the relationships between family, program, and community. Part I of Management of Child Development Programs provides an overview of the demographic and theoretical context within which child development programs operate. Part II focuses on 12 core competencies, derived from a review of currently literature in the field and aligned with NAEYC accreditation criteria, including: personal and professional self-awareness; organizational, fiscal, and personnel management; human relations; facilities management; health and safety; food service; educational programming; family support; marketing and public relations; assessment and evaluation. The Enhanced Pearson eText features embedded video and internet resources. Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive

learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.

Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.*

Affordable. The Enhanced Pearson eText may be purchased stand-alone or with a loose-leaf version of the text for 40-65% less than a print bound book.
