

# The Alastair Campbell Diaries: Volume Two: Power and the People

The second volume of Campbells riveting diaries, rejoining New Labor as they come into power. Power and the People is the second of four volumes, and covers the first two years of New Labor government, beginning with their victory at the polls in 1997. Volume Two details the initial challenges faced by Labor as they come to power and settle into running the country. It covers many of the memorable events of the period: from the Omagh bombing to President Clintons relations with Monica Lewinsky.
