

12 Ways to Make Effective Decisions (Career Boosting)

Today, for whatever you want or need to acquire, there are more brands, features, or options than you can comfortably fathom. Tomorrow, there will be more options competing for your attention. You can, however, make decisions without collisions. Even if you're confronted with a bewildering number of alternatives, there's welcome news about how to choose. Throughout history, making choices hasn't been an easy process for anyone. Even in literature, people have been obsessed with making good decisions--the lady or the tiger? Door one or door two? There is no foolproof way to make good choices every time. If there was, life would be boring--we'd all be rich, and we'd elect the best president every four years. You'd choose the right college, find the right employer, choose the right spouse, and so forth. Making choices hasn't been easy throughout history, however, and it won't get easier as we proceed into a future of faster and faster change and a greater reliance on technology. We don't have to be scared of the future because there are many solutions.
