

Fundamentals of Management: Essential Concepts and Applications (9th Edition)

For Principles of Management courses. The practical tools of management presented through in-depth practice. Fundamentals of Management is a brief, paperback text that gives students more depth and breadth with practical tools to practice their management skills than any other textbook. The Ninth Edition introduces a new and exciting design and includes new chapter openers, case applications, and exercises. MyManagementLab for Fundamentals of Management is a total learning package. MyManagementLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators a dynamic set of tools for gauging individual and class progress. This program will provide a better teaching and learning experience—for you and your students. Here’s how:

Personalize Learning with MyManagementLab: Inspire the exchange of new ideas and foster intriguing discussions with the abundant resources found in MyManagementLab. **Encourage Students to Apply Concepts:** Throughout the text, the authors provide examples of how concepts work, while providing an opportunity to practice and review material. **Stay on the Cutting-Edge of Management Practice:** There are always new issues and ideas confronting managers, which is why this edition now includes new and updated exercises, modules, and

boxes. Note: You are purchasing a standalone product; MyLab does not come packaged with this content. If you would like to purchase both the physical text and MyLab search for ISBN-10: 0133773213/ISBN-13: 9780133773217.
