

Educational Psychology: Developing Learners (7th Edition)

The best-selling Educational Psychology: Developing Learners is known for its exceptionally clear and engaging writing, its in-depth focus on learning, and its extensive concrete applications. Its unique approach helps readers understand concepts by encouraging them to examine their own learning and then showing them how to apply these concepts as teachers. The book concentrates on core concepts and principles and gives readers an in-depth understanding of the central ideas of educational psychology—helping them better understand children and adolescents. More than any other educational psychology book, this book moves seamlessly between theory and applications, features the most extensive and integrated coverage of diversity, and includes innumerable concrete examples to help readers connect educational psychology to real children and classrooms. This is just the standalone book, if you want the book/access code you need to order: 0131381105 / 9780131381100 Educational Psychology: Developing Learners (with MyEducationLab) * Package consists of 0135140870 / 9780135140871 MyEducationLab -- Access Card 0137001142 / 9780137001149 Educational Psychology: Developing Learners
