

Phonological Awareness and Primary Phonics

The book is a brief, practical guide for teachers who want or have to teach phonics. Phonological awareness and phonics are integrated so that the foundation of phonological awareness prepares students for phonics and makes both areas reciprocal. In work with struggling readers, Dr. Gunning developed a system to build on what students know and teach them to analyze words independently. He also found that students need a lot of practice to become effective readers.

Phonological Awareness and Primary Phonics is a practical resource manual designed to provide step by step suggestions for assessing and instructing students in grades K-2 in phonological or phonemic awareness and phonics skills and strategies.
