

Strategic Management Theory: An Integrated Approach

This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and case studies. Based on real-world practices and current thinking in the field, the Tenth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management.
