

# Phonics, Phonemic Awareness, and Word Analysis for Teachers: An Interactive Tutorial (8th Edition)

This practical self-study guide provides a strong foundation for phonemic awareness, phonics, and word analysis so in-service teachers can update their knowledge, prepare for teacher certification or study for competency tests. Teachers are able to go through the book on their own and master the concepts and terminology of word analysis and then demonstrate their knowledge by passing a short test on its contents.
